

What Is Man? – Job 7:17-18

Job 7:17-18 [Revised Authorised Bible] “*What is man that you should magnify him, that you should set your heart on him. That you should visit him every morning and test him every moment?*”

What does this tell us about our relationship with our Creator God?

“*magnify him*” – look at all we do under a magnifying glass, observe very closely.

“*set your heart on him*” – loves us and longs to have a relationship with us.

“*visit him every morning*” – so eager to share the day with us God is there waiting for us to wake up

Shouldn't we then start our day with a conversation with God and not ignore His presence?

“*test him every morning*” – God will all day long be aware of our thoughts, words and actions. Nothing in our life will escape His notice.

How can we ever ignore someone who is so loving and cares for us so deeply?
