

The Art Of Marriage

A good marriage must be created.

In marriage the little things are the big things ...

It is never too old to hold hands.

It is remembering to say "*I love you*" at least once every day.

It is never to go asleep angry.

It is having a mutual sense of values and common objectives.

It is standing together facing the world.

It is forming a circle of love that gathers in the whole family.

It is speaking words of appreciation and demonstrating gratitude in thoughtful ways.

It is having the capacity to forgive and forget.

It is giving each other an atmosphere in which each can mature.

It is a common search for the good and beautiful.

It is not only marrying the right person, it is being the right partner.
